Report on the GVCA Annual General Meeting

The 60th anniversary edition of the Guildwood Village Community Association's annual general meeting was held on March 20 at the Guild Inn Estate. It was a packed house with more than 150 members of the community in attendance.

In addition to the regular reports, three longtime members of the community were honoured for their years of service: Dr. Robert Baggs, Tom "the Barber" Cefala, and Donna Milovanovic. You can read more

about their contributions to the Guildwood community in the spring edition of News & Views.

There was a presentation by the Guildwood flag committee to update members on their progress. See the article below to find out about the next steps toward designing a unique flag for Guildwood.

Dave Arnold stepped down after completing his term as President of the GVCA, and elections were held for executive committee positions. The following members of the GVCA Executive were elected by acclamation:

President: Jim Whitney

Vice President: Bob Taylor-Vaisey

Treasurer: Kelly Cole

Secretary: Lynda Satelmajer

(Dave Arnold becomes Past President)

Following the business of the meeting, a special video presentation about the history of Guildwood was shown. Thanks to Bob Taylor-Vaisey for heading up this valuable project. The video and supporting materials will soon be available to view. Keep an eye on the [GVCA website](#) for links in the near future.
